- Have:**
- Minimal sight lines looking in
 - Fenced and/or hard to access
- Why:**
- Harder to survey what's there
 - Harder to get in & out undetected

- Have:**
- Open sight lines
 - Easily visible driveway or camera access
- Why:**
- Too much greenery allows for hiding spots & harder to spot things are amiss
 - Camera - real or dummy - can create a deterrent

- Have:**
- Locked; Keys not accessible
 - Clean, No visible Valuables & Clear of Snow
 - Out of season vehicles covered
 - Within sightlines
- Why:**
- Harder to access
 - Less Attractive

@BrantNorthCommunitySafetyGroup

Have:

- Closed as often as possible
- Double check to make sure it closes fully
- Locked door between house & garage, especially at night

Why:

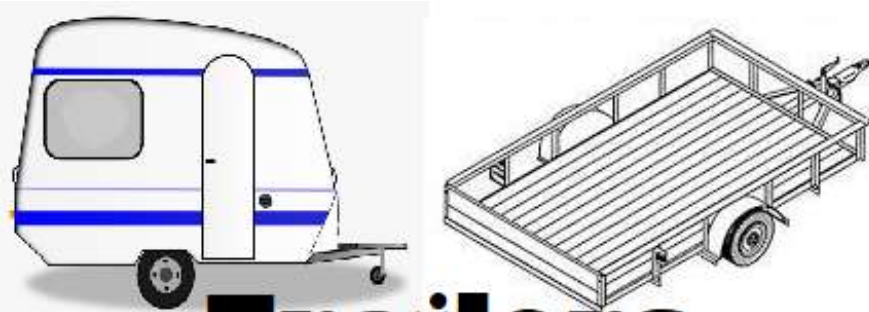

- Harder to survey what's there

Have:

- Parked where its inconvenient to access
- Blocked in by another vehicle
- Trailer locks, wheel chock locks

Why:

- Harder to access & Less Attractive

Trailers

Lights

Have:

- Left on at night or on a motion sensor
- Additional light(s) along driveway or in yard

Why:

- A lit up area can be more of a deterrent - easier to spot
